31 May 1966

MEMORANDUM FOR THE RECORD

Morning Meeting of 31 May 1966

DD/I tabled the latest weekly report issued by Task Force LOOKOUT.

DD/I noted receipt of information from [ ] over the week- 25X1  
end indicating that NSC meetings will begin to take place every two weeks  
or so and that the meetings will be marked by briefings on long-range  
problems.

Godfrey reported briefly on the current situation involving the Bud-  
dhists in Vietnam. (See Action 1)

[ ] 25X1

25X1 [ ] reported that CIA and DOD each embarked on studies this  
week pertaining to FE intelligence targets as they relate to the OXCART  
deployment issue.

DD/S reported that the support conference [ ] was very 25X1  
beneficial. Some supply and logistics problems in connection with SEA  
lend themselves to recommendations and solutions which DD/S will take  
up with FE.

de Silva reported that the [ ] team is back from SEA, where 25X1  
the kits were successfully employed. Some 150 kits are being used in  
Vietnam now, and smaller numbers are available in Thailand and Laos.  
A monthly report will be submitted showing the extent of the application 25X1  
of this system and the results obtained. The Army wants 300 more kits.

DD/P noted a memorandum prepared and sent to the White House on Saturday concerning the Dominican Republic situation in the wake of the news at that time that Balaguer had withdrawn from the Presidential race. Balaguer has since changed his mind and is back campaigning.

DCI noted receipt of a letter from Secretary Vance requesting a SNIE in July on the reliability of Warsaw Pact forces under certain contingencies.

DCI noted receipt of a cable from Tom Hughes requesting a joint CIA/DIA memo on the effects on the fighting in Vietnam of the loss of POL facilities in North Vietnam.

DCI asked about the status of planning for a future U-2 program. DD/S&T explained that the Agency has submitted a request to the NRO to purchase additional U-2's and an Agency study of export aspects to transfer these abroad is under preparation and should be ready this week.

DCI noted that he intends to visit the Aberdeen Proving Ground and such a visit will be useful to Agency officers involved in ordnance matters.

DCI referred to USAF planning for equipping C-130's with certain exotic counter-guerrilla gear.
